

## Uniclass 2015

## EF – Elements/ functions Table v1.8

January 2021

### General changes

Through our work with the Environment Agency, we are adding one new code. See below for details.

### Particular changes

| v1.7 Code | v1.8 Code   | Classification | Notes         |
|-----------|-------------|----------------|---------------|
|           | EF_20_50_82 | Span           | Element added |
