

Uniclass 2015

PM – Project Management Table v1.11

January 2021

General changes

Following feedback on performance requirements, new codes have been added to address the requirement for project context. Other codes have been relocated to more appropriate subgroups. See below for details.

Particular changes

v1.10 Code	v1.11 Code	Classification	Notes
PM_35_10_65	PM_35_05	Project context requirements	Project management performance requirement relocated as a subgroup
	PM_35_05_22	Development performance requirements	Project management performance requirement added
	PM_35_05_79	Site context requirements	Project management performance requirement added
PM_35_40	No change	Environmentally sustainable design requirements	Project management classification amended from 'Environment and sustainability performance requirements'
PM_35_40_03	PM_35_70_03	Airtightness performance requirements	Project management performance requirement moved to new location
PM_35_40_15	PM_35_10_15	Condensation control performance requirements	Project management performance requirement moved to new location
PM_35_40_31		Fauna biosecurity performance requirements	Project management performance requirement deleted
PM_35_40_33		Flora biosecurity performance requirements	Project management performance requirement deleted
PM_35_40_34	No change	Habitat performance requirements	Project management performance requirement amended from 'Habitat creation and protection requirements'
PM_35_40_35	No change	Hazardous materials control requirements	Project management performance requirement amended from 'Hazardous materials performance requirements'
PM_35_40_37		Human biosecurity performance requirements	Project management performance requirement deleted

PM_35_40_47	PM_35_50_47	Lightning protection performance requirements	Project management performance requirement moved to new location
PM_35_40_72	No change	Resistance to ground contaminants requirements	Project management performance requirement amended from 'Resistance to ground contaminants performance requirements'
PM_35_40_96	PM_35_10_96	Watertightness performance requirements	Project management performance requirement moved to new location
	PM_35_50_08	Biosecurity performance requirements	Project management performance requirement added

v1.10 Code	v1.11 Code	Classification	Notes
PM_40_60_16	No change	COBie data set	Project management performance requirement amended from 'COBie data sheet'
PM_40_60_42	PM_40_60_53	Mobilization plan	Project management performance requirement amended from 'Information mobilization plan'

v1.10 Code	v1.11 Code	Classification	Notes
	PM_80_60_70	Public safety risk management information	Project management asset risk added
