PM – Project Management Table v1.12

April 2021

General changes

We have been working with the Department for Education to add codes and classifications to meet their information requirements. Other codes have been added at the request of users. See below for details.

Particular changes

v1.11 Code	v1.12 Code	Classification	Notes
	PM_10_20_11	Carbon roadmap	Project management code added
	PM_10_20_27	Environmental reporting information	Project management code added

v1.11 Code	v1.12 Code	Classification	Notes
	PM_30_10_37	Historic building survey information	Project management code added
	PM_30_10_60	Party wall survey information	Project management code added
	PM_30_10_78	Site abnormal information	Project management code added
	PM_30_10_88	Topographical survey information	Project management code added
	PM_30_10_90	Transport feasibility survey information	Project management code added
	PM_30_20_92	Underground drainage closed-circuit television (CCTV) condition survey information	Project management code added
	PM_30_30_02	Acoustic survey information	Project management code added
	PM_30_30_03	Air quality survey information	Project management code added
	PM_30_30_04	Arboricultural survey information	Project management code added
	PM_30_30_51	Measured building survey information	Project management code added
	PM_30_30_86	Thermal and environmental model	Project management code added

v1.11 Code	v1.12 Code	Classification	Notes
	PM_40_20_01	Access and maintenance strategy	Project management code added
	PM_40_20_02	Acoustic strategy	Project management code added
	PM_40_20_10	Building services strategy	Project management code added
	PM_40_20_43	Information and communications technology (ICT) strategy	Project management code added
	PM_40_20_64	Plant and equipment replacement strategy	Project management code added
	PM_40_20_77	Security strategy	Project management code added
	PM_40_30_21	Design development register information	Project management code added
	PM_40_35_11	Catering models	Project management code added
	PM_40_35_29	Fittings, furnishings and equipment (FF&E) models	Project management code added
	PM_40_50_30	Fire officer approval	Project management code added
	PM_40_50_64	Planning conditions information	Project management code added
	PM_40_60_24	Detailed responsibility matrix	Project management code added
	PM_40_60_45	Key performance indicator (KPI) information	Project management code added
	PM_40_60_65	Project execution plan	Project management code added
	PM_40_60_66	Project information production methods and procedures	Project management code added
	PM_40_60_67	Project information protocol	Project management code added
	PM_40_60_68	Project information standards	Project management code added

v1.11 Code	v1.12 Code	Classification	Notes
	PM_50_30_11	Capital contributions information	Project management code added

v1.11 Code	v1.12 Code	Classification	Notes
	PM_55_15	Contract compliance information	Project management subgroup code added
	PM_55_15_15	Compliance statement	Project management code added
	PM_55_15_17	Contract notice	Project management code added
	PM_55_15_47	Liquidated damages information	Project management code added
	PM_55_15_65	Project brief derogations	Project management code added

v1.11 Code	v1.12 Code	Classification	Notes
	PM_60_20_22	Construction method statement	Project management code added
	PM_60_50_67	Purchasing protocol	Project management code added

v1.11 Code	v1.12 Code	Classification	Notes
PM_70_15_01	PM_70_80_01	Access control commissioning certificate	Project management code moved to new subgroup
PM_70_15_04	PM_70_80_05	Audiovisual systems commissioning and acceptance certificate	Project management code moved to new subgroup
	PM_70_15_01	Acoustic test certificate	Project management code added
	PM_70_15_04	Asbestos clearance certificate	Project management code added
	PM_70_15_07	Building control completion certificate	Project management code added
	PM_70_15_08	Building control occupation certificate	Project management code added
PM_70_15_10	PM_70_30_10	Building management systems (BMS) commissioning certificate	Project management code moved to new subgroup
	PM_70_15_11	Cabling test certificate	Project management code added
	PM_70_15_12	Certificate of making good defects	Project management code added
	PM_70_15_16	Control of legionella certificate	Project management code added
PM_70_15_15	PM_70_30_15	Closed-circuit television (CCTV) commissioning certificate	Project management code moved to new subgroup
PM_70_15_22	PM_70_30_22	Disabled alarms and disabled refuge alarm testing certificate	Project management code moved to new subgroup
	PM_70_15_23	Disinfection and sterilization certificate	Project management code added
	PM_70_15_24	Distribution network operator (DNO) notification certificate	Project management code added
	PM_70_15_25	Emergency lighting certificate	Project management code added
	PM_70_15_26	Environmental completion certificate	Project management code added
	PM_70_15_28	Fire alarm electrical supply test certificate	Project management code added
	PM_70_15_33	Gas installation pressure test and purging certificate	Project management code added
PM_70_15_47	PM_70_30_47	Lightning protection certificate	Project management code moved to new subgroup
	PM_70_15_50	Material fire performance test certificate	Project management code added
	PM_70_15_60	Party wall certificate	Project management code added
PM_70_15_78	PM_70_30_78	Security and intruder alarm commissioning certificate	Project management code moved to new subgroup
	PM_70_15_83	Sports pitch certificate	Project management code added
	PM_70_15_85	Sustainable timber certificate	Project management code added

PM_70_15_83	PM_70_30_83	Sprinkler installation test certificate	Project management code moved to new subgroup
PM_70_15_92	PM_70_30_92	Uninterruptible power supply (UPS) test certificate	Project management code moved to new subgroup
	PM_70_30	Equipment certification documents	Project management subgroup code added
	PM_70_30_02	Air handling unit commissioning certificate	Project management code added
	PM_70_30_06	Boiler commissioning certificate	Project management code added
	PM_70_30_15	Closed-circuit television (CCTV) commissioning certificate	Project management code added
	PM_70_30_21	Data cable test certificate	Project management code added
	PM_70_30_24	Ductwork air leakage test certificate	Project management code added
	PM_70_30_26	Equipment safety certificate	Project management code added
	PM_70_30_27	Fire hydrant and mains commissioning certificate	Project management code added
	PM_70_30_28	Fire-rated doors test certificate	Project management code added
	PM_70_30_32	Fume cupboard commissioning certificate	Project management code added
	PM_70_30_33	Gas appliance commissioning certificate	Project management code added
	PM_70_30_35	Generator commissioning certificate	Project management code added
	PM_70_30_45	Kitchen equipment certificate	Project management code added
	PM_70_30_64	Photovoltaic solar panel test certificate	Project management code added
	PM_70_30_70	Retractable seating safety certificate	Project management code added
	PM_70_30_73	Roller shutter commissioning and conformity certificate	Project management code added
	PM_70_30_80	Solar hot water collector commissioning certificate	Project management code added
	PM_70_30_88	Theatre lighting certificate	Project management code added
	PM_70_30_98	Workshop equipment commissioning certificate	Project management code added
	PM_70_75_01	Acoustic test report	Project management code added
	PM_70_75_03	Access equipment test report	Project management code added
	PM_70_75_04	Air leakage test certificate	Project management code added
	PM_70_75_05	Air quality test certificate	Project management code added
	PM_70_75_07	Bell system test report	Project management code added
	PM_70_75_11	Cable test report	Project management code added
	PM_70_75_12	Cladding and curtain walling water test report	Project management code added

	PM_70_75_13	Coliform and bacteria count test report	Project management code added
	PM_70_75_14	Combined heat and power (CHP) system test report	Project management code added
	PM_70_75_17	Co-ordinated shut down interface test report	Project management code added
	PM_70_75_22	Drainage leakage test results	Project management code added
	PM_70_75_23	Ductwork cleaning test certificate	Project management code added
	PM_70_75_24	Ductwork cleaning test report	Project management code added
	PM_70_75_25	Ductwork pressure test certificate	Project management code added
	PM_70_75_26	Ductwork pressure test report	Project management code added
PM_70_75_28	No change	Emergency lighting test report	Project management classification amended
	PM_70_75_29	Energy meter calibration test report	Project management code added
	PM_70_75_31	Fire alarm test certificate	Project management code added
	PM_70_75_32	Fire alarm decibel level test report	Project management code added
	PM_70_75_33	Fume cupboard test report	Project management code added
	PM_70_75_34	Gas interlock test report	Project management code added
	PM_70_75_35	Generator test report	Project management code added
	PM_70_75_40	Information and communications technology (ICT) infrastructure test report	Project management code added
	PM_70_75_45	Kitchen equipment installation test report	Project management code added
	PM_70_75_48	Lighting lux level test report	Project management code added
	PM_70_75_52	Monitoring systems connection test report	Project management code added
	PM_70_75_61	Perimeter gates test report	Project management code added
	PM_70_75_63	Pipeline pressure test certificate	Project management code added
	PM_70_75_71	Refrigerant pipeline pressure test certificate	Project management code added
	PM_70_75_79	Sliding partitions test report	Project management code added
	PM_70_75_81	Solar panel wind uplift test report	Project management code added
	PM_70_75_83	Sound and lighting systems test report	Project management code added
PM_70_75_96	No change	Water distribution pressure test report	Project management classification amended
	PM_70_75_97	Window cleaning equipment test report	Project management code added
	PM_70_75_98	Workshop equipment test certificate	Project management code added

	PM_70_80_03	Air conditioning systems commissioning certificate	Project management code added
	PM_70_80_04	Air source heat pump commissioning certificate	Project management code added
	PM_70_80_07	Bell system commissioning certificate	Project management code added
	PM_70_80_13	Combined heat and power (CHP) system commissioning certificate	Project management code added
	PM_70_80_30	Fire alarm system commissioning certificate	Project management code added
	PM_70_80_31	Fire suppression system commissioning certificate	Project management code added
	PM_70_80_32	Fume cupboard commissioning report	Project management code added
	PM_70_80_34	Ground source heat pump commissioning certificate	Project management code added
	PM_70_80_37	Heating system water treatment certificate	Project management code added
	PM_70_80_42	Induction loop commissioning certificate	Project management code added
	PM_70_80_45	Kitchen ventilation certificate	Project management code added
	PM_70_80_46	Lifts commissioning certificate	Project management code added
	PM_70_80_49	Lighting control certificate	Project management code added
	PM_70_80_75	Seasonal commissioning certificate	Project management code added
	PM_70_80_89	Toilet alarm commissioning certificate	Project management code added
	PM_70_85_08	Building logbook	Project management code added
PM_70_85_13	PM_70_85_10	Building manual	Project management code amended
	PM_70_85_11	Clarifications information	Project management code added
	PM_70_85_18	Defects notification information	Project management code added
	PM_70_85_22	Defects register	Project management code added
	PM_70_85_31	Fire safety management plan information	Project management code added
	PM_70_85_34	Handover communications information	Project management code added
	PM_70_85_44	Life expectancy information	Project management code added
	PM_70_85_56	Operation and maintenance manual	Project management code added
	PM_70_85_79	Soft landings process information	Project management code added
	PM_70_85_92	User acceptance information	Project management code added

v1.11 Code	v1.12 Code	Classification	Notes
	PM_80_10_03	Asset information protocol	Project management code moved to new subgroup
	PM_80_10_12	Building performance evaluation plan	Project management code moved to new subgroup
	PM_80_10_24	Energy consumption information	Project management code added
	PM_80_10_40	Information and communications technology (ICT) protocol	Project management code added
	PM_80_10_47	Loose equipment protocol	Project management code added
	PM_80_10_52	Maintenance plan information	Project management code added
	PM_80_10_53	Maintenance programme information	Project management code moved to new subgroup
	PM_80_10_54	Maintenance records	Project management code added
