

# Uniclass 2015

## PM – Project Management Table v1.13

July 2021

### General changes

We have been working with the Environment Agency to add codes and classifications to meet their information requirements. Other codes have been added at the request of users. See below for details.

### Particular changes

v1.12 Code	v1.13 Code	Classification	Notes
	PM_10_20_13	Community analysis	New Project Management code added
	PM_10_20_21	Data quality plans	New Project Management code added

v1.12 Code	v1.13 Code	Classification	Notes
	PM_30_10_36	Historic site survey information	New Project Management code added
	PM_30_10_85	Structural survey information	New Project Management code added
	PM_30_30_08	Broad scale model	New Project Management code added
	PM_30_30_24	Environmental constraints report	New Project Management code added
	PM_30_30_31	Flood protection information	New Project Management code added
	PM_30_30_33	Flood simulation model	New Project Management code added
	PM_30_30_46	Landscape impact assessment	New Project Management code added
	PM_30_30_53	Model calibration information	New Project Management code added
	PM_30_30_97	Water quality assessment information	New Project Management code added

v1.12 Code	v1.13 Code	Classification	Notes
	PM_40_30_22	Designer health and safety risk assessment	New Project Management code added
	PM_40_60_06	Asset delivery description	New Project Management code added
	PM_40_60_47	Landowner notice	New Project Management code added

			added
