

Uniclass 2015

En – Entities Table v1.22

October 2021

General changes

We have added new codes for plots of land and for types of bridges, following feedback from users. We have also added another passenger terminal, running tunnel and cavern. There are some minor grammatical amendments as well. See below for details.

Particular changes

v1.21 Code	v1.22 Code	Classification	Notes
En_30_20_30	No change	High-heat-generating radioactive waste management tunnel	Entity classification corrected
